Graduate —Application blanks and detailed instructions concerning admission procedures and regulations may be obtained from The Office of the Dean of the Graduate School.

Adult Special (Evening Division) —Application blanks and detailed instructions concerning admission procedures and regulations may be obtained from the Evening Division Office.

### FORMER STUDENTS

Undergraduate and Graduate —A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the Fall Term. In order to gain readmission for the Spring Semester, former students must obtain from the Records Office or from the Evening Division Office an application for readmission.

TO RECEIVE REGISTRATION MATERIALS BY MAIL, NEW AND FORMER STUDENTS MUST COMPLETE ADMISSION REQUIREMENTS BY FRIDAY, DECEMBER 1, 1967.

## REGISTRATION INFORMATION

### BEGINNING FRESHMEN AND TRANSFER STUDENTS

Beginning *freshmen* and *transfer* students will report for orientation at 8:00 A.M. on Monday, January 29, 1968.

New students should go directly to the University Auditorium in the Administration Building where further information concerning the University and the registration process will be given. Immediately following this orientation assembly, students will be directed to advisory sessions conducted by the school in which they intend to major.

Transfer students who do not complete all admission requirements before December 22, 1967, face the probability that transcript(s) of prior college work will not be evaluated and that their records will not be available to advisers. Such students are advised that if they are admitted to the University, they will have to register without any assurance that all of their previous college work will be accepted.

## **CURRENT STUDENTS**

Current students will be sent registration materials by mail unless they are currently on academic probation or have outstanding financial obligations at the time materials are mailed. Students who are on probation or who have such obligations will be notified as to the time and place when they may obtain their registration materials.

## **EVENING DIVISION**

Orientation for new students in the Evening Division will be held at 6:00 P.M., Monday, January 29, 1968. Students should go directly to the University auditorium in the Administration Building.

Registration for all students in the Evening Division will be held from 5:30 P.M. to 9:00 P.M. on the evening of Tuesday, January 30, 1968. The exact time of registration will be specified on the registration appointment card.

## **DOWNTOWN DIVISION**

Registration for all downtown classes will be held in the 81 Madison Building, 9th floor, on Wednesday, January 31, 1968, from 5:30 P.M. to 7:30 P.M.

# **REGISTRATION PROCEDURES**

Only the general steps in the registration process are presented here. Basically, the registration procedure consists of the following steps:

1. Secure registration materials.
2. Confer with faculty adviser to secure his guidance and approval in planning your schedule.
3. New and former students have ID card made in accordance with instructions and times in the instruction sheet.
4. Enter the registration center to secure class cards and pay fees.

## **EXPLANATION OF SELECTED PROCEDURES**

### **REGISTRATION MATERIALS**

Registration materials will be mailed to all students who were enrolled in the University during the Fall Term and to all new and former students who complete admission requirements by December 1, 1967.

New and former students who do not receive registration materials by mail will be given an opportunity to obtain registration materials during the week preceding registration. You will be notified by the Admissions and Records Office of the specific time and place for obtaining registration materials.

## ID CARD

All students must present their permanent Memphis State University ID card before they will be allowed to enter the registration center.

The place where ID cards will be made for new students will be specified during the orientation program.

## TIME OF REGISTRATION

The exact day and time of registration will be on the registration appointment card. The time of registration is assigned on the basis of cumulative hours earned.

## ADVISERS

At the time of registration, each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not permanent or binding. The student may change his major area at any time during his college career with a minimum of administrative procedure.

- A. *Current and former students* will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned. *Current students may pick up adviser's forms from the respective adviser's office, in accordance with adviser scheduling as prescribed by the respective schools.*
- B. *Beginning freshmen, transfer and term specials* will receive instructions about advisers during orientation sessions.

## CHANGE OF COURSE

After a student's registration is complete, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE FACULTY ADVISER.

## CHANGE OF COURSE FEE

A fee of \$3.00 will be assessed for each course which is added or dropped. The fee will be assessed on the number of course changes and not on the number of change of course applications. (For example, if a student initiates a single change of course application involving any combination of adds and drops for three different courses, the fee would be \$9.00).

If a student initiates a change of course application involving two different sections of the same course, the fee will be \$3.00. (For example, the fee charged for dropping Section 2 and adding Section 3 of History 1301 would be \$3.00). Payment of the fee will be made to the Cashier's Office at the time the approved change of course application is presented there. NO CHANGE OF COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.

## SCHEDULE CONFLICT

Each student is responsible for preventing conflicts in the scheduling of his classes. The change of course fee will apply to any class schedule revision.

## CHANGE OF SCHOOL

Undergraduate students may change the school in which they are majoring prior to registration or after the drop period. *ONCE A STUDENT HAS REGISTERED IN A PARTICULAR SCHOOL, HE MAY NOT CHANGE SCHOOLS UNTIL THE END OF THE DROP PERIOD FOR THAT SEMESTER.*

To change schools, students would go first to the Office of the Dean of the School in which they are currently enrolled and obtain the application.

## WITHDRAWAL

An undergraduate student may withdraw from the University by notifying Dean Jess Parrish in person or in writing.

Evening Division students may withdraw from the University by notifying the Evening Division Office in person or in writing.

Failure to notify the appropriate office will result in a grade of "F" for each course in which the student is registered.

The last day to withdraw is Tuesday, April 30, 1968.

## SCHEDULE OF FINAL EXAMINATIONS

Final examinations for the Spring Semester will begin on Friday, May 17, 1968. Each examination is two hours in length and attendance is compulsory. Absence from a final examination without the permission of the instructor incurs a mark of "F." Examinations for the Spring Semester, 1968, will be given according to the following schedule.

## GRADE REPORTS

A mid-term deficiency report is sent out to all students whose performance in a course is "D" or "F" at mid-semester. Students whose performance is not deficient will not receive any report. In some cases, the deficiency report may be processed after a student has formally withdrawn from the University. A student who has formally withdrawn and receives a deficiency report may disregard this report.

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the end of the semester. Also shown on the grade report will be hours attempted, hours earned, quality points earned, and grade point average. The reports will be mailed to the permanent address as indicated on the student's IBM information form during registration. Each student should check his address carefully to insure that it is accurate and current. If a student's name and/or address changes during the semester, this should be reported to the Records Office. See Change of Name or Address Section below.

## CHANGE OF NAME OR ADDRESS

It is imperative that the student keep his name and address current on University records. Opportunity for indicating name and address changes is provided during the registration period via the student information form in the registration packet. If any change in name or PERMANENT address has occurred since your last enrollment, you should indicate such in the spaces provided.

If your name and/or address changes during the semester, you should come by the Records Office, Room A-218, and complete the form provided.

**NO CHANGE OF ADDRESS OR NAME WILL BE PROCESSED AFTER FRIDAY, APRIL 26, 1968.**

**NOTE:** *If the change of name is due to other than marriage, some legal document must be presented to verify the basis for the change. The document is presented at the Records Office, but is not retained by the Records Office.*
